SUBJECT INDEX TO VOLUME 163

January–December 1998

A

- Abuse, childhood physical or sexual, parental disorders and, Navy outpatient mental health patients, 510
- Accident, ethanol level differential, postmortem blood and subdural hematoma, case report, 722
- Actinobacter baumannii*, ventilator-related, outbreak in intensive care unit, 389
- Active Duty Dependents Dental Insurance Plan, annual dentistry utilization rates, spouses of active duty military personnel, 148
- Advanced Trauma Life Support course, Combat Trauma Life Support course versus, cognitive knowledge decline and, 747
- Aerobic performance, oxygen consumption/endurance and, male smokers versus nonsmokers, 770
- Aggressive behavior, impulsive behavior and, military psychiatric inpatients, 594
- Aircrew, B-52H, grounding rates, seasonal variation, 692
- Air Force
- Academy cadets, routine varicella vaccination, cost-benefit analysis, 631
 - basic military training, mental health attrition from, 834
 - members, body fat measurement by bioelectrical impedance, validity of, 781
 - psychosocial factors in smoking, 222
 - surveillance and prophylaxis protocols against *Streptococcus pyogenes* transmission, 667
 - reserve, dental readiness tracking system, 239
- School of Health Care Sciences
- predictors of student success in, 36
 - quality of life study of students, 33
- Air-raid alerts, Croatia, changes in pulse rate of population of Zagreb, Yugoslavia and, 850
- Airway
- experimental emergency percutaneous transtracheal, testing with human patient simulator, 544
 - pressure, effects of Ohmeda Universal Portable Anesthesia Complete vaporizer with pushover ventilation, 540
- Alcohol
- cigarettes/caffeine and, co-occurrence in retired military population, 133
 - level differential, postmortem blood versus subdural hematoma and, case report, 722
- Alcohol Use Disorders Identification Test
- coping strategies and mental health problems, military unit, 599
 - screening tests for alcohol problems, recommendations for military, 9
- Altitude decompression sickness, rapid decompression, EA-6B aircraft, case report, 572
- Anastomosis, vesicourethral, after radical retroperitoneal and perineal prostatectomy, radiographic characteristics, 174
- Anesthesia system, Ohmeda Universal Portable Anesthesia Complete vaporizer
- clinical evaluation of pushover mechanical ventilation, 164
 - drawer and pushover configurations, mechanical ventilation in, 159
- Aneurysms, axillary artery, case report, 653
- Anterior cruciate ligament, reconstruction, military patient, 17
- Antibiotics, sinusitis and, young patient with bronchial asthma and, 180
- Antithrombotic therapy, thrombolytic therapy and, for myocardial infarction aboard Navy ships at sea, selection considerations, 105
- Anxiety
- escape from submarines, effect of training on, South African Navy, 68
 - historical group debriefing after combat, 494
 - Appointments, missed and canceled, military psychiatry clinic, 58
- Arctic, cold weather injuries, case report, 568
- Arm, occupational upper-extremity-related disability, demographic/physical/psychosocial factors, 552
- Army
- combat stress control, utilization of detachments for, editorial, 191
 - Dental Care System, senior executive behaviors, 21st century, 377
 - male and female soldiers
 - prevalence and timing of sexual assaults, 213
 - psychological health and trauma in, 363 - medical center, study of patient satisfaction/provider satisfaction/provider workload, 90
 - medical readiness training exercises, El Salvador 1996, 519
 - physical disability processing, factors affecting, 456
 - physical fitness test, carotid artery dissection and ischemic stroke during, case report, 857
 - primary care physicians, medical reference databases in field environments, 750
 - psychological autopsy, history of, 427
 - reservists, health and physical readiness of, literature review and research questions, 283
 - social workers, maternal and child health and, 44
 - soldiers, sexual harassment and, psychological effects/appraisal/organizational climate, 63
 - soldier survey, knowledge of prevention of arthropod diseases and bites, 695
 - women, unintended pregnancy, female soldiers presenting for prenatal care, Madigan Army Medical Center, 444
 - workers' compensation, control of costs and claims, 451
- Arteries
- axillary, aneurysm, case report, 653
 - carotid, bilateral dissection and ischemic stroke during Army physical fitness test, case report, 857
 - Arthritis, traumatic, blast injury and, total knee replacement in, Vietnam, case report, 651
 - Arthroplasty, shoulder, war wounds, case report, 436
 - Arthropods

- diseases and bites, knowledge of prevention, survey of U.S. Army soldiers, 695
- prevention of attack, safety and efficacy of DEET and permethrin, 324
 - Artificial reproduction, gamete-intrafallopian transfer, age-related pregnancy rates, 449
 - Assassination, patterns of death of world leaders, 797
 - Assault rifles, hearing protectors against impulses from, noise attenuation of communication, 40
 - Asthma, bronchial
 - prevalence of sinusitis in young patients with, 180
 - recovery rate in military veteran population, 177 - Atabrine, mefloquine and, history of malaria prevention, role of education in, 635
 - Atmospheric pressure, changes in plasma levels of neurotensin/somatostatin/dynorphin A, pilots with acute hypoxia, 120
 - Attrition, mental health, Air Force basic military training, 834
 - Aviators
 - high +Gz force neck pain, neck training and, 707
 - physiological effects of thermal stress, UH-60 helicopter simulator, 298

B

- Bacteria, skin, 5-minute povidone-iodine scrub versus 1-minute povidone-iodine scrub followed by alcohol foam, surgery, 145
- Ballistics, wound, high-velocity gunshot wounds to head and neck, case report, 346
- Bed utilization, system, surgical nursing section of military medical center, 839
- Bioelectrical impedance, body fat measurement and, validity of, Air Force members, 781
- Biological warfare
- chemical warfare and, drugs against, surrogate markers for, 743
 - training, differentiation criteria in infectious disease outbreak, 198
- Blast injury, traumatic arthritis from, total knee replacement in, Vietnam, case report, 651
- Blood
- portable capillary whole blood coagulation monitor, standard laboratory methods versus, measurement of international normalized ratio, 820
 - postmortem, versus subdural hematoma blood, ethanol level differential in, case report, 722
 - Bone fat, validity of measurement by bioelectrical impedance, Air Force members, 781
 - Bone, fibrous dysplasia, clivus and sphenoid sinus, case report, 186
 - Bone marrow, transplantation, costs and outcomes of program, military, 661
 - Book reviews
 - Disaster On Green Ramp: The Army's Response, vi(6)
 - Essentials of Musculoskeletal Care, vi(6)
 - Gynecology for the Primary Care Provider, iii(1)
 - Losing Weight For Good, vi(2)
 - Marketing Health Care into the Twenty-First Century: The Changing Dynamic, iii(1)
 - Operative Otolaryngology Head and Neck Surgery, vi(6)

 - Principles and Practice of Refractive Surgery, iii(1)
 - Psychiatric Malpractice (Stories of Patients, Psychiatrists, and the Law), 586
 - Rheumatoid Arthritis, iv(1), vi(2)

Borderline personality disorder, medical treatment and discharge planning, case report, 122

Bosnia-Herzegovina

 - echinococcal disease and humanitarian surgical aid, case report, 656
 - Operation Joint Guard, U.S. soldiers, disease and non-battle injury, 733
 - U.S. soldiers in, 1997, Operation Joint Guard, disease and non-battle injury, 733

Brain injuries, treatment of, Operation Desert Storm, VII Corps, 581

Bureaucracies, psychiatric clinicians in, dual-agency/dual relationship/boundary crossing and violations in military and civilian agencies, 826

Butane, deliberate inhalation of volatile substances, threat to readiness, case report, 343

C

- Caffeine, cigarettes/alcohol and, co-occurrence in retired military population, 133
- Calcaneal spur, plantar fascitis and, among Saudi Arabia Security Forces, 56
- Calcium pyrophosphate deposition disease, septic arthritis and, chronic gout setting and, case report, 61
- Canadian Forces, military personnel in Rwanda, psychological intervention, 559
- Cancer
- osteosarcoma, recognition and treatment, military health care system, 169
 - parathyroid carcinoma, case reports and literature review, 246
 - prostate, radical prostatectomy for, statistical modeling for prediction of extracapsular extension, 615
- Carious lesions
- dental sealants and, need for and prevalence of, in active duty military personnel, 148
 - Navy recruits, study of sealant application, dentistry, 107
- Carotid artery, dissection, ischemic stroke and, during Army physical fitness test, case report, 857
- Casualties
- heat, prevention during field training, complications of fluid overload and, case report, 789
 - Lika Province, Croatian health service organization and activity, first year of war 1991–1992, 110
 - storage of medical information, MARC ES program, 49
 - triage/resuscitation/evacuation of, computer-assisted training program for, 234
- Chemicals, sensitivity and wartime exposures, Persian Gulf War veterans, 725
- Chemical warfare, biological warfare and, drugs against, surrogate markers for, 743

Chest, penetrating gunshot wounds, operative videothoracoscopy for, 603
 Chickenpox, routine vaccination, Air Force Academy cadets, cost-benefit analysis, 631
 Children, physical or sexual abuse, parental disorders and, Navy mental health outpatients, 510
 Chloramine gas, acute inhalation, mass casualties from, 102
 Cigarettes, alcohol/caffeine and, co-occur in retired military population, 133
 Claims, costs and, control of, U.S. Army workers' compensation, 451
 Clivus, sphenoid sinus and, fibrous dysplasia of, case report, 186
 Coagulation, portable capillary whole blood monitor, standard laboratory methods versus, measurement of International normalized ratio, 820
 Colds, seasonal grounding rate variation, B-52H aircrew, 692
 Cold war, preventive medicine and medical surveillance after, military, 272
 Cold weather injuries, Arctic, case report, 568
 Combat
 Army reservists, health and physical readiness of, literature review and research questions, 283
 historical group debriefing after, 494
 medicine, information technologies in, Marines, 640
 stress control, utilization of detachments for, editorial, 191
 wound decontamination, early pulsatile lavage for, historical review and proposal, 844
 Combat Trauma Life Support course, Advanced Trauma Life Support course versus, cognitive knowledge decline and, 747
 Communications, telemedicine, performance improvements, 530
 Compartment syndrome, trauma-induced, hyperbaric oxygen for, case report, 577
 Computed tomography, treatment of brain injury and, VII Corps, Operation Desert Storm, 581
 Computers
 MARC ES program, storage of casualty medical information, 49
 training program, triage/resuscitation/evacuation of casualties, 234
 Conversion disorder, presentation as multiple sclerosis, case report, 709
 Coping, strategies, mental health problems and, in military unit, 599
 Costs
 claims and, workers' compensation, Army, 451
 evaluation of hepatitis A vaccination, Dutch military, 564
 outcomes and, bone marrow transplant program, military, 661
 Craniocebral injuries, missile, outcome prediction, Croatian War, 486
 Cranium, surgery, field block for, in World War II, 80
 Cricothyrotomy, experimental emergency percutaneous transtracheal airway, testing with human patient simulator, 544
 Croatia
 1991-1992
 injuries in offensive action, Croatian Army brigade, 420
 Like Province health service organization and activity, first year of war, 110
 air-raid alerts, changes in pulse rate of population of Zagreb and, 850
 craniocebral missile injuries, outcome prediction, Croatian War, 486
 field hospital in Zagreb, peacekeeping operation, tri-service medical care, 413
 war injuries
 head and neck, 117
 orbitocranial, 14 cases, 486
 spine and spinal cord, 847
 wounded and disabled veterans, psychological characteristics, 331
 Croatian Army, soldiers wounded at front line, analysis of medical aid, 13
 Cytomegalovirus, hepatitis A and, hemolysis precipitation in glucose-6-dehydrogenase deficiency, case report, 434

D

Databases, medical reference, field environments, Army primary care physicians, 750
 Death
 patterns, world leaders, 797
 war injuries to head and neck, War in Croatia, Slavonski Brod Hospital, 482
 Debriefing, historical group, after combat, 494
 Decompression, rapid, EA-6B aircraft, case report, 572
 DEET, permethrin and, safety and efficacy of insect repellent in prevention of arthropod attack, 324
 Delphi method, senior executive behaviors, Army Dental Care System in 21st century, 377
 Dental care, satisfaction of active duty military with, 813
 Dental insurance, determination of status, military families, 817

 Navy recruits, study of sealant application, 107
 sealants
 need for and prevalence of, in active duty military personnel, 148
 prevalence and need in U.S. military recruits, 386
 temporary restorative materials, military field use, 381
 tracking readiness, Air Force reserve system, 239
 Department of Defense
 1994-1995 Health Beneficiary Survey, mental health status and visit rates of active duty military and families, 471
 active duty beneficiaries, caring and patient satisfaction, 758
 Army, control of workers' compensation costs and claims, 451
 economic consequences of tobacco use 1995, 217

military families, determination of dental insurance status, 817
 Standard Inpatient Data Record, validity for quality management and health services research, 461
 Department of Veterans Affairs, Persian Gulf War veterans, chemical sensitivity and wartime exposures, 725
 Diagnosis
 Hurter's syndrome, identification of gibbus deformity and, case report, 711
 weakness/fatigue/respiratory failure, case report, 715
 Diaphragm, shortening, cardiopulmonary parameters, effects of volume/pressure/presure-regulated volume control on, normal rat lung, 625
 Disability
 occupational upper-extremity-related, demographic/physical/psychosocial factors, 552
 physical factors affecting processing, Army, 456
 Disease, detection and treatment, polymerase chain reaction and link to future, 226
 Dissection, carotid artery, ischemic stroke and, during Army physical fitness test, case report, 857
 Drugs
 against biological and chemical warfare, surrogate markers for, 743
 generic, regulatory aspects and scientific concepts, 193
 Duty, seasonal grounding rate variation, B-52H aircrew, 692
 Dysplasia, fibrous, clivus and sphenoid sinus, case report, 186

E

Echinococcal disease, humanitarian surgical aid and, Bosnia, case report, 656
 Economics
 cost-benefit analysis, routine varicella vaccination in Air Force Academy cadets, 631
 costs and outcomes, bone marrow transplant program, military, 661
 evaluation of hepatitis A vaccination, Dutch military, 564
 tobacco use, Department of Defense 1995, 217
 Education
 Air Force School of Health Care Sciences, predictors of student success in, 36
 graduate medical, operational medicine/managed care/continued military service and, perceptions of military internal medicine residents, 392
 malaria prevention and, atabrine to mefloquine, 635
 military residents, obstetrics and gynecology training programs, standardized military-unique patients and, 767
 risk behavior, human immunodeficiency virus, survey of rapid deployment troops, 672
